Issue	Precept	Description
Blindness	Horrible	Blinding people for ideoligious reasons is horrible.
	Respected	To be blind is a moral thing worthy of respect.
	Elevated	The blind stand pure above the sighted.
	-	Only the blind can be truly noble, for the sighted find their minds clouded by physical vision.
	Sublime	
Cannibalism	Abhorrent	Eating human flesh is a deeply abhorrent and disgusting act.
	Horrible	Eating human flesh is a horrible thing to do.
	Disapproved	Eating human flesh is an ugly thing to do.
	Acceptable	Human meat is just meat, like any other.
	Preferred	To consume human meat is a noble and necessary part of life.
Corpses	Required (strong)	Consuming human flesh is important. It should be in every meal.
	-	Man-flesh is morality. To eat a meal without it is unthinkable.
	Ugly	The sight of a dead person is horrible.
	-	The sight of a dead person is nothing to be concerned about.
	Don't care	Other beliefs are evil deceptions ruining the world. It's totally unacceptable to let them exist in the community.
	Intense bigotry	Other beliefs are immoral delusions which do real harm. It's bad to let them exist in the community.
	Moderate bigotry	Other beliefs are clearly folly. It's not good to let them exist in the community.
	Mild bigotry	Other beliefs are neither approved or disapproved.
	Neutral	Other beliefs are worth understanding. It's good to live with others who think differently.
	Appreciated	Other beliefs hold unique knowledge. It's great to live with others who think differently.
Diversity of thought	Highly appreciated	Working through disagreement is the height of morality. It's very moral to live with others who think differently.
	-	
	Exalted	
	Eating	Disgusting
	Nutrient Paste	Nutrient paste is disgusting.
	-	There's nothing wrong with a meal of efficient, healthy nutrient paste.
	Always abhorrent	Executing a prisoner is an abhorrent evil under any circumstances.
	Always horrible	Executing a prisoner is a horrible thing under any circumstances.
		Executing an innocent prisoner is a horrible thing. If the prisoner is guilty, it's acceptable.
	Horrible if innocent	
Execution	Don't care	Executing prisoners is acceptable, whether they are guilty or innocent.
	Respected if guilty	Executing prisoners is acceptable. If the prisoner is guilty, it is cause for great happiness.
	-	Prisoners must be executed on a regular basis. When they are, it is a happy occasion.
	Required	
	Despised	That dark-grown fungus food is just disgusting
Fungus	-	Fungus is the right crop to eat. Crops of the light are poisoned by the air and sun.
	Preferred	
	Despised	Insect meat is disgusting to even look at, much less eat. Slimy!
	-	There is nothing more divine than the succulent, slimy flesh of an insect
	Loved	
Insect Meat	Always Man's	Couples must share the man's name.
	Usually Man's	Most couples share the man's name
		Couples randomly choose whether to share a name, and which name to share.
	Random	
	Keep Names	Both partners keep their names upon marriage.
Marriage Name	Usually Woman's	Most couples share the woman's name
	-	Couples must share the woman's name.
	Always Woman's	

Tabelle1

Female Clothing	Fully nude	Women must be entirely nude at all times. Utility items like shields belts or jump packs are acceptable.
	Pants at most	Women should cover their groin, but may not cover anything else. Utility items like shields belts or jump packs are acceptable.

	Fully covered	Women must cover their entire body, including their hair and face.
	Fully nude	Men must be entirely nude at all times. Utility items like shields belts or jump packs are acceptable.
	Pants at most	Men should cover their groin, but may not cover anything else. Utility items like shields belts or jump packs are acceptable.
	No rules	A man may display or cover any part of his body.
Organ use	Pants	Men must cover their groin. The rest of the body may be covered, or not.
	Pants and shirt	Men must cover their groin and chest. The rest of the body may be covered, or not.
	Pants, shirt, and hat	Men must cover their entire body and hair. The face may be covered, or not.
	Fully covered	Men must cover their entire body, including their hair and face.
	Totally abhorrent	Any harvesting, trading, or installing natural organs is an abhorrent evil.
Physical Love	No harvest or sell	Harvesting organs is a horrible thing. Selling any natural organ is pretty bad too. However, it's okay to buy and install them.
	No harvest	Harvesting organs is a horrible thing. However, it's okay to buy, install, or sell them.
	Acceptable	It's okay to harvest, buy, install, or sell organs.
	Free	Physical intimacy is a natural part of life, with any partner, married or not.
	Prohibited	The physical act of lust is always vile, disgusting, and wrong.
Research	Horrible	The physical act of lust is vile, though within marriage it is necessary.
	Spouse only (strict)	To make love with another outside of marriage is deeply immoral.
	Spouse only (moderate)	To make love with another outside of marriage is wrong.
	Spouse only (mild)	Though it's understandable to make love with another outside of marriage, it's not a good thing.
	Free and approved	The physical act of love is a noble thing, no matter who does it with whom.
Scarification	Not allowed	To research technology is an immoral act. It is not to be done.
	Extremely slow	Research isn't a worthwhile activity at all. Why try hard at it?
	Very slow	Research work is unworthy of serious respect. Better not to be seen trying hard at it.
	Slow	Research work just isn't particularly meaningful. Why try hard at it?
	Normal	Research is a worthwhile form of work that the community needs.
Skullspike	Fast	Research is an especially virtuous activity.
	Very fast	Research is among the most meaningful acts a person can perform.
	Extreme	Every person ought to bear the ritual scars - all over.
	Heavy	Every person ought to bear the ritual scars - many of them.
	Minor	Every person ought to bear a ritual scar.
Skullspike	Horrible	Scarifying people for ideoligious reasons is horrible.
	Desired	A skull on a spike symbolizes our superiority.

Tabelle1

-	Disapproved	Putting skulls on spikes is a barbaric practice.
-	Abhorrent	Owning or trading human beings is deeply evil.
-	Horrible	Owning or trading human beings is a horrible thing.
-	Disapproved	Slavery is part of life, though it is extremely distasteful.
Slavery	Acceptable	Slavery is a normal, unremarkable part of life.
-	Honorable	One who owns and trades slaves should be honored and respected.
-	One only	Women may have one spouse only.
-	Two or fewer	Women may have up to two spouses.
Women's spouses	Three or fewer	Women may have up to three spouses.
-	Four or fewer	Women may have up to four spouses.
-	Unlimited	Women may have as many spouses as they like.
-	One only	Men may have one spouse only.
-	Two or fewer	Men may have up to two spouses.
-	Three or fewer	Men may have up to three spouses.
Men's spouses	Four or fewer	Men may have up to four spouses.
-	Unlimited	Men may have as many spouses as they like.

These following precepts can be added through origins:

Issue	Precept	Description
Slaughtering animals	Prohibited	Slaughtering animals is absolutely prohibited.
-	Horrible	To slaughter an animal is a horrible thing.
-	Disapproved	To slaughter an animal is an ugly thing.
-	Abhorrent	To leave our ideoligion after having known it is the depth of immorality.
-	Horrible	To leave our ideoligion after having known it indicates deep moral flaws.
Apostasy	Disapproved	To leave our ideoligion after having known it indicates character flaws.
Autonomous weapons	Prohibited	Allowing a machine to decide to kill is an absolutely inhuman thing to do.
-	Horrible	Allowing a machine to decide to kill is a terrible thing.
-	Disapproved	Allowing a machine to decide to kill is an ugly thing.
-	Abhorrent	To modify the natural human body is a flagrant violation of clear moral laws.
Body modification	Disapproved	To modify the natural human body is an ugly, dirty act.
-	Approved	Humans should strive to reach our full potential by improving our flawed natural bodies.
-	Essential	We must always be charitable to those in need. To refuse one would be an inhuman act, no matter the circumstances.
-	Important	It's important to be charitable to those in need. Refusing to help is a terrible act.
Charity	Worthwhile	Helping those in need is a good thing. It makes the community stronger.
-	Prohibited	The body should absolutely not be poisoned by chemicals. The only exception is the use of medicine in direct medical care.
-	Medical only	Poisoning the body for recreational purposes is a deeply immoral act.
Drug use	Medical or social only	A drink with a smoke is fine, especially with friends, but poisoning the body with powerful chemicals is wrong.
-	Essential	Exotic states of mind are central to a good life.

Tabelle1

Combat in darkness	-	Preferred	We fight better in the dark.
		Prohibited	To violate the forest by cutting down a tree is a deeply abhorrent act and should never be done.
Cutting trees	-	Horrible	To cut down a tree is a horrible act.
		Disapproved	To cut down a tree is a distasteful thing to do.
		Abhorrent	To kill an innocent animal is a horrifically inhuman act. Innocent animals are those who are not attacking, or who were only driven to attack by human provocation. [Optional precepts 3]
Killing innocent animals	-	Horrible	To kill an innocent animal is a horrible act. Innocent animals are those who are not attacking, or who were only driven to attack by human provocation.
		Disapproved	To kill an innocent animal is an ugly act. Innocent animals are those who are not attacking, or who were only driven to attack by human provocation.
Lighting	-	Darklight preferred	Normal lights are too bright. Darklights are better.
		Abhorrent	Eating meat of any kind is deeply evil.
		Horrible	Eating meat of any kind is a horrible act.
		Disapproved	Eating meat of any kind should be avoided.
		Mildly required	Every meal ought to have meat.
		Seriously required	Every meal must have meat. Eggs, milk, and processed food are okay as well.
Meat eating	-	Strictly required	If a meal doesn't have meat, the person who eats it must be morally deficient. Eggs, milk, and processed foods are fine.
		Prohibited	Raping the natural earth with mining tools is a horrifically evil act.
Mining	-	Horrible	Violating the natural earth with mining tools is a horrible act.
		Disapproved	Mining into the natural earth is an ugly act.
		Respected	We don't work like common laborers, we take from the weak as the strong should. Failing to do so is a mark of shame.
Raiding	-	Required	We don't work like common laborers, we take from the weak as the strong should. Failing to do so is a tremendous shame.
Trees	-	Desired	It's essential to live surrounded by beautiful trees.
Biosculpting	-	Despised	Biosculpter pods violate the purity human flesh and should never be used.
		Accelerated	All biosculpting cycles take half the usual time.
		Prohibited	Growth vats rob children of their childhood.
Growth vats	-	Essential	We have the technology for safer childbirth and faster childhoods. Believers will develop faster in growth vats but will be unhappy if their children are not in a vat.
		Revered	Bloodfeeders should be worshipped. Believers will be happy if there is a bloodfeeder in the colony and will not mind being fed upon.
Bloodfeeders	-	Reviled	Anyone who drinks blood to survive is a monster.
Child labor	-	Encouraged	Children build character through work. It's important for everyone to contribute.
		Disapproved	Childhood is sacred. We should let kids be kids.
Mechanoid labor	-	Enhanced	Why should we work when we have machines?
Psychic rituals	-	Abhorrent	Psychic rituals are utterly evil.
		Disapproved	Psychic rituals should be avoided when possible.
		Exalted	Connecting with psychic flows brings us closer to truth.
		Very inefficient	All this void nonsense is superstition. Let's focus on reality.

Tabelle1

	Inefficient
Void study	Efficient
-	Very efficient
Inhumanizing	
-	
-	Required
-	Prohibited
Fishing	Disapproved
-	Sacred

These issues and their precepts can only be added by having a specific origin, and cannot be removed as long as the meme is present.

Trying to understand the unknowable is pointless. We should focus more on meaningful activities.
 The void is a true mystery that deserves to be studied.
 The void is the ultimate truth.
 Human morality and feeling are a distraction. We must leave humanity behind.
 Mental breaks will cause followers to become [inhumanized](#).
 Fishing is immoral. We should never do it.
 Fishing is gruesome. We should avoid it.
 Fishing is part of the right path.

Issue	Precept	Description
Age reversal		Why get old? One must have a once-yearly age reversal treatment in the biosculpter pod.
-	Demanded	
Animal connection		
-	Strong	We have a strong connection to our animal friends
Blind pysense		
-	Strong	Our blind have special ways of connecting with the psychic aether
Bonding		
-	Disapproved	To emotionally bond with a lower being is a shameful act
Comfort		
-	Ignored	We should pay no attention to comfort
Eclipse		
-	Beautiful	Eclipses are a beautiful respite from the blinding sunlight.
Gauranlen connection		We have a special connection with the Gauranlen trees. The trees refocus production easily under our influence, and we are not satisfied unless we have that connection.
-	Strong	
Mining yield		Mining is so important that we do it with great focus and respect, and we get more resources because of that.
-	High	
Neural supercharge		
-	Preferred	Having a neural supercharge is the new standard. Without it, you're obsolete.
Pain		
-	Idealized	To experience nerve-singing pain is a mark of morality.
-	Occasional	Those who know the truth should try to bring it to others, when it seems appropriate.
-	Sometimes	Those who know the truth should bring it to others at every opportunity.
Proselytizing		Those who know the truth have a duty to always spread it and drive out other beliefs.
-	Frequent	
Ranching		We must raise and consume many large animals, and we must not eat plants.
-	Central	
Rough living		
-	Welcomed	We don't need to separate ourselves from the roughness of nature.

Tabelle1

Slab bed		
-	Preferred	The right way to sleep is on a slab bed.
Sleep accelerator		
-	Preferred	One should always use a sleep accelerator. Slow-sleeping is just foolishly wasting your potential.
Indoors		
-	Preferred	We were meant to live indoors. There's nothing bothersome about being in tight quarters.
Temperature		
-	Tough	Extreme temperatures don't bother us as much.
Work drive		
-	Tripled	The duration of the leader's work drive ability is tripled.
Space Habitat		
-		
-	Preferred	Planetary living is for lower animals. We should live in orbit or among the stars.
